EXPERIENCE

Private B2C Digital Sales Company / Chief Operating Officer & General Manager – Business Operations

Oct 2017 - Jan, 2026 | Kyiv, Ukraine

- **HR Operations & Organizational Scaling:** Built HR operations from the ground up, establishing recruiting, onboarding, training, and employee development processes that supported 7× company growth, from 50 to 370 employees.
- **Internal Talent & Career Growth:** Built a promote-from-within model and career paths for high-performing employees; filled virtually all management roles internally, retained ~95% of internally developed managers, and reduced first-year management turnover to near zero versus external hires typically leaving within 12 months.
- **Employee Training & Retention:** Built a structured onboarding and sales training program combining role-specific training, coaching, and team placement; increased 1-year employee retention by 4× compared with direct external hires.
- **COVID Workforce Growth:** Developed an operational strategy to maintain 100% in-office operations during COVID, overcoming workforce transportation constraints and enabling continued hiring; grew headcount by 48%, from 250 to 370 employees.
- **Sales Performance Development:** Built an employee development system combining structured training, QA feedback, and manager coaching to improve sales performance; increased sales efficiency per lead by 2–4×.
- **Payroll Process Optimization:** Redesigned and streamlined payroll operations as the organization scaled, reducing processing time while supporting significantly higher volume; increased payroll processing efficiency by 12×.
- **Data & Lead Security:** Implemented a comprehensive security program across internal systems, CRM processes, and data access; reduced lead losses by 97%.

Avtoplaneta Holding & Past Experience / Corporate Client Account and Event Manager

Sep 2014 – Aug 2014 | Kherson, Ukraine

- **Stakeholder Coordination:** Coordinated communication across clients, internal teams, leadership, and external partners, ensuring smooth execution and issue resolution.
- **Community & Engagement:** Planned and led customer events, competitions, and engagement initiatives, managing logistics, communication, and participant experience.
- **BRP Owners Club:** Founded and developed a customer retention community that strengthened engagement and helped drive 2× sales growth.
- **Earlier Management Experience:** Hired, managed production and service teams, built a customer-facing business from the ground up, coordinated people across operations, events, administration, and international business.
